

MAXIM SHEVCHENKO-TYMCHUK

Senior Product Designer & Lead UI/UX

10+ years building and scaling digital products with focus on business impact. As founder and agency head, I grew teams, improved profitability, and delivered award-winning projects. Combining hands-on design expertise with leadership skills to align teams with business goals.

Experience

Head of UI / Product Designer Jakala Germany GmbH 2023 - present

Led 13 designers, standardized hiring & training, designed mobile apps.

UI/UX Designer WBS Training AG 2022 - 2023

Designed ERP system for 6,000+ courses, improving operational efficiency.

UI/UX Designer Andersen People 2021 - 2022

Built healthcare & fintech apps, mentored junior designers.

Design Lecturer IT-School Hillel 2021 - 2022

Developed curriculum, trained 20+ students.

Head of Agency Nextpage Agency 2019 - 2021

Scaled team from 12 to 25, increased profitability ~20%, won 35+ awards.

Head of Design Coliving Club 2015 - 2018

Built booking platform for hostel network, led design & marketing.

Alternative CV

Good material should meet the user's expectations and experience. That's why I created alternative versions of my resume, differing not only in narrative focus but also in visual style.

AI

Best analyzed by LLMs and ATS

> HR

Classic formal CV, print-ready.

Design

For those who love a dark theme.
